Student's Initials: _____ Date: _____ Initial only after you have had sufficient time to read and understand the information

Student Loan Information

Students at the Esalen Institute are not eligible for Federal student loans. This institution does not meet the US Department of Education Criteria for that would allow its students to participate in Federal student aid programs.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education 2535 Capitol Oaks Drive Suite 400, Sacramento, CA95833, www.bppe.ca.gov. Phone: (888).370.7589 or (916) 431.6959, Fax: (916).263.1897

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an Enrollment Agreement.

Definitions

- 1 “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the program calendar year.
- 2 “Students available for graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active duty.
- 3 “Graduates” is the number of students who completed the program within 100% of the program length.
- 4 “Completion Rate” is the number of Graduates divided by the number of Students Available for Graduation.
- 5 “150% Graduates” is the number of students who completed within 101-150% of the program length.
- 6 “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.
- 7 “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
8. Esalen Institute does not list a Department of Employment SOC codes in its catalog and its list of employment positions. At this date, 2015, “this institution was not required to collect the data for its....prior graduates. Therefore, all job placement numbers are marked as zero (0).
- 9 “Graduates employed in the field” means graduates that are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment must begin within six months of the

831 667 3040 www.esalen.org

announcement of the examination results for the first examination available after a student completes an applicable educational program. No data available, see #8 above.

10. “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment. No data available see # 8 above. No SOC codes listed in catalog.

11 Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and took the exam in the reported calendar year for the first time. No data available, see number 8 above.

11 Exam Date is the date for the first available exam after the students completed the program.

12 Passage Rate is calculated by dividing the number of students who passed the exam by the number of graduates who took the reported licensing exam.

13 Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

15. No Salary is as reported by the student. Not all graduates report salary. A list of the employers of the Graduates Employed in the Field can be obtained from the institution. “No salary information Reported” is the number of graduates for whom, after making reasonable attempts, the School was not able to obtain salary information. “ Because of the change in the Bureau’s reporting regulation, which became effective on July 14, 2016 this institution was not required to collect the data for its 2016 and prior graduates.”

STUDENT'S RIGHT TO CANCEL

A student has the right to cancel the enrollment agreement and obtain a refund of total tuition fees paid, minus the \$250 non-refundable deposit, through the second class session or the seventh day after enrollment, whichever is later. A withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not limited to, a student's lack of attendance. Final day to withdraw from a course and receive a refund is as stated. Refunds are paid within 10 business days. Withdrawal is determined by mutual notification of student and teacher, rather than the last day attended. Cancellation of this agreement must be made in writing to the instructor or to Brita Ostrom, Esalen Institute, 55000 Highway One, Big Sur CA 93920, brita.ostrom@esalen.org or via email to info@esalen.org. Refunds requested after the second day of class are pro-rated based on the class time that has elapsed. A student may withdraw at any time. However, no refund will be issued for withdrawals received after 60% of course time has elapsed.

Signature and date _____. Initial only after you have had sufficient time to read and understand the information.
